

Advanced English Learning

With your e-teacher

Are you ready to take an advanced English course online?

Check your level of English in this short quiz and find out if you are ready to study advanced English!

	Rarely	Sometimes	Mostly
1. Can you easily talk about the news or current affairs?			
2. Can you understand the main ideas when you watch news, documentaries and shows on TV in English?			
3. Can you understand the main ideas when you read newspapers, magazines or journals in English?			
4. Do you use good grammar when you write or speak in English?			
5. Do other people understand your English when you write or speak?			
6. Do you understand <i>everything</i> , including all the details, you read or hear in English?			
7. Do you have the grammar or vocabulary you need to have a really deep conversation, discussion or debate?			
8. Do you have the grammar or vocabulary you need to write a story, essay or report?			

If you answered at least 6 questions with a 'sometimes' or 'mostly', then an advanced English course is right for you! Now, are you ready to do that course online?

	Yes	No
1. Do you have a good internet access?		
2. Can you organise regular weekly study times?		

If you answered 'yes' for both questions 1 & 2, then you are ready to do the course online!
